Dear Friends:

“Behold, He who keeps Israel Shall neither slumber nor sleep.” Psalm 121

ALL OUT WAR!

As I write to you today, rockets are falling on Israel. Our VOICE OF HOPE on-air radio staff are moving quickly to the bomb shelter, just steps away from our radio studios on the Sea of Galilee. Please pray for our on-air team and for Nizar and Haneen as they minister peace to those listening who are full of fear. Please pray for the strategic impact of the Gospel of Jesus being broadcast throughout the region over the VOICE OF HOPE. Don't stop praying or supporting this end-time work of the Lord.

Israel has joined with America and together are destroying the Islamic government of Iran. For 47 years, Iran and its surrogates have brought death and terror throughout the region, issuing snarling threats of destruction for all Jews and Christians and anyone else who would not bend their knee to Islam. This includes the beautiful Persian people, persecuted and killed by this demonic Iranian leadership by the tens of thousands. Even in the intense fire of war, a people are being set free. You and I are history's witness of God's power to intervene. This is Biblical.

THE BOW IS BROKEN

Jeremiah 49:34-39 contains a powerful prophecy against Elam, a region identified with modern-day Iran. Written during King Zedekiah's reign, this end-time prophecy predicts God will break Elam's military might ("the bow"), scatter its people to the four winds, and destroy its leadership. Finally, God promises to restore the fortunes of Elam in the "latter days".

We believe that the Persian people will be restored by God and play a role in the end-time Harvest! For years we have heard testimony of the underground Church of Iran as well as secret baptisms of thousands. Iranian Christians represent a Church birthed and grown under great persecution and fire-tested pressure. God's purposes will be realized as we look to the next chapter for the people of Iran and the Middle East!

Iran will never be the same. There is *change in the air* highlighted by the burning of over 50 mosques by the Iranian people. For those not already saved, Christianity and Secularism are ready to fill the void, once this repression has lifted. A dynamic spiritual opportunity for the Gospel of Jesus lies before us! Would you help now with your prayers and financial support?

VOICE OF HOPE - WELL POSITIONED FOR THE HARVEST

Almost a decade ago, Israel granted us a radio license and frequency to a very powerful radio station. Our purpose is to encourage the Christian community within Israel and to over 50 million people living in Lebanon, Syria, Jordan and Egypt. The VOICE OF HOPE - ISRAEL (1287 AM) is Israel's only Christian radio station, and it is well-positioned to be a factor in the End-Time Harvest. *We believe*, with prayer, millions will choose follow Jesus in these last days. Will you help us?

A VERY PRACTICAL NEED

Right now, we have an urgent budget need of \$35,000. These funds allow us to pay our quarterly high electricity costs, on-air ministry team, studio lease and to broadcast 24/7 throughout Israel and the Middle East. Your giving is important especially in this time of war. Please pray and support the VOICE OF HOPE - ISRAEL: <https://www.voiceofhope.com/donate.html>
